SAVE THE DATE: We will still be hosting a meeting on **7 November 2018** between 5:30pm – 8pm at WIRA House, Leeds, LS16 6EB. This will be an informal meeting and a great opportunity to talk about the CCG Volunteer programme so far and how we can continue to make it better.

If you haven't already done so, please let your mentor know if you are able to attend.

Previous to the meeting please have a look at our draft [volunteer agreement and handbook](#) and note down any comments you might have. We will use the meeting as an opportunity to shape the document so please bring your notes with you. If you cannot attend the meeting please send your comments to your mentor by the 6th November.

An agenda for this meeting will be sent out this Friday. If you have any topics that you would like to discuss at the meeting please email them to Caroline Mackay caroline.mackay2@nhs.net by **12pm on Friday the 2nd Nov 2018**.

1. Changes to The Light GP Practice

The NHS Leeds Clinical Commissioning Group (CCG) is re-procuring (paying for) The Light GP service. Part of the re-procurement process is to engage (talk to) registered patients at The Light. This engagement will help us to understand people's experience of using The Light and their needs and preferences for future services. This information will help us develop a service that meets the needs of registered patients. 2. Shakespeare Walk-in Centre

NHS Leeds Clinical Commissioning Group (CCG) is currently undertaking a review of urgent care services in the city as part of its proposals around establishing urgent treatment centres in the city. As part of its review, the CCG wants to find out more about the experiences of patients who have used Shakespeare Walk-in Centre in Burmantofts. To do this the CCG is undertaking a six week engagement exercise which will also seek people's views about its proposal to move the walk-in centre up the road to St James's Hospital.

A formal 12 week engagement exercise on the wider urgent treatment centre proposals will take place over winter, more details will be provided once available.

Find out more and share your views, as well as encouraging your friends and family members to give their feedback too: www.leedsccg.nhs.uk/get-involved/your-views/your-views-needed-on-the-shakespeare-walk-in-centre/

We would like to get a better understanding of the information and support needs of parents and carers supporting children and young people with mental health issues; find out what parents and carers in general would like should they have concerns about the mental health of their child/young person.

Findings from the survey will be used to help us develop solutions in response to identified needs.
