News

This section is about any news relevant to the CCG or CCG volunteers programme.

NHS 10 Year Plan

Recently, the NHS 10 year plan was officially unveiled. As medicine advances, health needs change and society develops, the NHS has to continually move forward so that in 10 years' time we have a service fit for the future.

The NHS Long Term Plan is drawn up by frontline staff, patients groups, and national experts to be ambitious but realistic.

You can watch the unveiling, read the long term plan and find out more by visiting the following link: <https://www.longtermplan.nhs.uk/>

The full long term plan is quite long (126 pages) but there is a two page summary which you can read here if you're looking for something a bit shorter:

Patient Assurance Group (PAG)

This section is about any news or updates about PAG. Please note that this section will not include PAG papers as they will be sent separately by the Governance team at the appropriate time.

Next formal PAG meeting – Wednesday 6 February 2019, 6pm – 8pm, WIRA House, LS16 6EB, CANCELLED

There are no engagement projects coming to the PAG meeting in February. As we have done in January we are still planning to hold a meeting for those who are able to come. Feedback we received from the ‘non-PAG PAG’ meeting had told us that the meeting was very useful to share experiences and we will of course encourage this in the next meeting. We’re also hoping that the volunteer handbook will be in its final versions for your approval.

We will be using this opportunity to write your ‘mini-bios’ and take photographs for the volunteer section of the website. You’re welcome to do some prep in advance (i.e. select a photo of you or something that represents you that you would be happy to have on the website or write a bit about yourself).

Following completion of the last Doodle Poll, the following volunteers have been selected to attend the **March** PAG meeting:-

March (Wednesday 6th, 10am-12, WIRA House):
 Dick Killington, Sue Watson, Kath Newton and John Curtin

In addition, we have initial dates for PAG meetings from April 2019 until March 2020. Timings will be confirmed once we have booked meeting rooms, and a Doodle Poll will be sent out for people to complete their availability.

Wed 3 rd April 2019	Wed 2 nd October 2019
Wed 1 st May 2019	Wed 6 th November 2019
Wed 5 th June 2019	Wed 4 th December 2019
Wed 10 th July 2019	Wed 8 th January 2020
Wed 7 th August 2019	Wed 5 th Feb 2020

Please can you let Caroline know about your availability for all the above on caroline.mackay2@nhs.net or call 0113 843 5470.

Urgent Treatment Centres (21.01.19 – 15.04.19)

As you may be aware, the NHS Leeds CCG is running a high-level engagement on Urgent Treatment Centres (UTC). The proposal is to establish five new UTCs in the city, two out of existing centres, two 'co-located' out of A&E and a new site in east Leeds, probably Seacroft.

The engagement is of great importance to the CCG and we would expect all our volunteers to offer their feedback on the engagement by completing the survey at the below link, as well as sharing and promoting the engagement in all appropriate avenues.

We will be sending out a briefing email to all volunteers with further details, however more information can be found at the below link (including the link to the survey, which goes live on Monday).

Training - **UPDATE**

This section is about any training available in the next few weeks.

Engagement Hub Update – No training between Jan – Jun 2019

As part of our ongoing evaluation of the training programme we have decided to pause our delivery of a scheduled training calendar and review our provision. There are several reasons for this, including; poor attendance and high cancellation rates (we've cancelled more sessions than ran over the last five months) as well as ongoing discussions with our partner organisations about the need to nail down processes and ways of working going forward.

We're going to use the 'fallow' six month period to evaluate the engagement hub work and see what it is going to look like with everything kicking back into gear by July 2019. The survey to give your feedback is now live, you can tell us what you think at the following link: <https://www.smartsurvey.co.uk/s/EHreview/> (you can complete it even if you have never been to one of our training sessions!).

We will still be running the patient reader group and the PPG Network Support Group (the next of which is on 31st January 2019, 9:30am – 12:30pm at the Old Fire Station, LS9 6NL).
