News

This section is about any news relevant to the CCG or CCG volunteers programme.

CCG Volunteer Bio

As we have spoken about previously, we're very keen to have a page on our website introducing our volunteers in a 'Meet Our Volunteers' type page. On there we would like a photo of you (or a picture that represents you) with your name and a short bio with a little bit about you and why you're a volunteer.

We're asking all our volunteers to complete a short bio that we can use on the website. You can find the bio here:

<https://www.leedsccg.nhs.uk/content/uploads/2019/01/Volunteer-Bio-Template.docx>

Many thanks to Tricia, Sue, Dave, Dick, Pauline and John for sending their completed bio through. Check them out on our 'Meet our volunteers' page here:

<https://www.leedsccg.nhs.uk/get-involved/ccg-volunteer/meet-our-volunteers/>.

There are still **five** outstanding bios, if you get chance to send a short bio and a photo over it would be greatly appreciated.

If you have any questions please get in touch with your mentor.

Opportunities

Many thanks to **Tricia and Stephen** for volunteering to be involved in the Chronic Pain Service Re-procurement

Title	Child and Family Health Hubs
Project Summary	A new service is being trialled in a small number of GP practices in Leeds. In this service, children who need to be seen by a Consultant Paediatrician can see them at their GP practice alongside their regular GP, rather than being referred to hospital. We need a volunteer to support local children and families by helping them to complete surveys after their appointment to evaluate how well the new service is working for them. This would involve using an iPad, directing people to either a parent's or children's survey, or helping them answer the questions if they need support.
How long the project runs for	Ongoing
Frequency of meetings	The clinic runs on the first Thursday of every month, 1:30-4:30pm
Number of Volunteers needed	No limit
Engagement Team contact	Gemma - gemma.kierczuk@nhs.net
Closing date to express interest	Ongoing

Current engagements - **UPDATE**

Below are current live engagements that we're aware of. These are engagements where people can offer their feedback and have a say, usually through a survey. Other chances to get involved such as project groups, recruitment opportunities etc. will be listed in the 'Opportunities' section.

If you are aware of other engagements that we have not listed, please get in touch with Adam or Andra and let us know and we will happily share in the next newsletter.

Please take the time to complete the survey and share it with friends, relatives, colleagues and other contacts you may have in your community.

Urgent Treatment Centres (21.01.19 – 15.04.19)

The NHS Leeds CCG is running a high-level engagement on Urgent Treatment Centres (UTC). The proposal is to establish five new UTCs in the city, two out of existing centres, two 'co-located' out of A&E and a new site in east Leeds, probably Seacroft.

The engagement is of great importance to the CCG and we would expect all our volunteers to offer their feedback on the engagement by completing the [survey](#) at the below link, as well as sharing and promoting the engagement in all appropriate avenues.

Many thanks to Sue, Pauline, Dick, Kath, John and Leanne for their help supporting this so far by:

- Sharing copies of surveys with friends and families.
 - Sharing copies of surveys with PPGs
-

- Discussing the engagement at different meetings around the city
- Signing up to support several of the drop-ins/events

It isn't too late to get involved. We would appreciate more support with our drop-ins and events. If you think you can help out please let Adam know.

More information about the events and drop-ins, such as times and venues, can be found on our website here: <https://www.leedsccg.nhs.uk/utcevents/>

Training

This section is about any training available in the next few weeks.

Engagement Hub Update – No training between Jan – Jun 2019

As part of our ongoing evaluation of the training programme we have decided to pause our delivery of a scheduled training calendar and review our provision. There are several reasons for this, including; poor attendance and high cancellation rates (we've cancelled more sessions than ran over the last five months) as well as ongoing discussions with our partner organisations about the need to nail down processes and ways of working going forward.

We're going to use the 'fallow' six month period to evaluate the engagement hub work and see what it is going to look like with everything kicking back into gear by July 2019. The survey is **now closed** and we are in the process of evaluating the responses.

Thank you to everyone who had their say. We'll share the report with you once it is complete.

CCG Volunteers Peer Support

This section is about opportunities for CCG Volunteers to be involved in peer support. There will be updates around peer support meetings and other opportunities to liaise with fellow volunteers in order to support one another.

A couple of members of the CCG engagement team will be in attendance to support.

Dates are:

Monday 20 May 2019, 6pm – 8pm – WIRA House, LS16 6EB

Thursday 24 October 2019, 1:30pm – 3:30pm – WIRA House, LS16 6EB
