News

This section is about any news relevant to the CCG or CCG volunteers programme.

Engage magazine

The CCG produces a quarterly magazine, called 'Engage', to keep the Leeds community up-to-date with what's going on:

<https://www.leedsccg.nhs.uk/publications/engage-magazine-issue-15-spring-2019/>

The Comms team are already planning the summer edition, and have set aside 2 pages for news about Engagement activities. One of these pages will cover the 'You said, We did' headlines for a recent engagement project, and the other page has been set aside to highlight your roles as CCG Volunteers.

We would like ideas from you about what you think the people of Leeds need to know, or would like to know, about your role as CCG Volunteers.

You might want to use a case study or quotes, or some other way of highlighting what you do. You may even be happy to have a photo of yourself on the page... who knows!

But whatever you decide, we need to finalise the page by 26 April – so we need you to send us any ideas **by the 12 April**.

Please forward any ideas you have to caroline.mackay2@nhs.net.

Big Leeds Chat – Hold the date

You might remember us talking about the Big Leeds Chat event last year. The Big Leeds Chat was a partnership event that brought together all the health and social care providers (including voluntary sector) for the first time. The event offered the opportunity for people in Leeds to share their views about Leeds and find out more about what we are doing as a city to develop a healthy and sustainable future in health and social care.

To find out more about Big Leeds Chat and how the event went please visit the Healthwatch Leeds website: <https://healthwatchleeds.co.uk/our-work/bigleedschat/>

As the event was really successful we are now planning the second Big Leeds Chat. This year we aim to have a series of events in different areas of the city alongside the one at the Leeds Market.

We would appreciate your support at the event this year. So please hold the following dates in your calendar:

- **Thursday 17 Oct 2019, from 10am to 2pm**, for the Leeds Market event – **please note that last week's date was incorrect. This date is correct.**
- **Week commencing the 14 Oct 2018 (provisionally)** for the local events. We will let you know the dates and times for the local events as soon as we know more.

Please note that there is an opportunity for a CCG volunteer to be involved in the working group as well, so check the Opportunities section for it.

If you have any questions please contact Chris, chris.bridle@nhs.net

CCG Volunteer Bio

As we have spoken about previously, we're very keen to have a page on our website introducing our volunteers in a 'Meet Our Volunteers' type page. On there we would like a photo of you (or a picture that represents you) with your name and a short bio with a little bit about you and why you're a volunteer.

We're asking all our volunteers to complete a short bio that we can use on the website. You can find the bio here:

<https://www.leedsccg.nhs.uk/content/uploads/2019/01/Volunteer-Bio-Template.docx>

Many thanks to Tricia, Sue, Dave, Dick, Pauline and John for sending their completed bio through. Check them out on our 'Meet our volunteers' page here:

<https://www.leedsccg.nhs.uk/get-involved/ccg-volunteer/meet-our-volunteers/>.

There are still five outstanding bios, if you get chance to send a short bio and a photo over it would be greatly appreciated.

If you have any questions please get in touch with your mentor.

If you have any questions about the training please contact Helen, hbatters@nhs.net or Caroline, caroline.mackay2@nhs.net.

Opportunities - **NEW**

Here are the current opportunities we have for volunteers to get involved in projects. If you are interested in any of the opportunities or would like more information, please contact the relevant person in the engagement team.

Title	Wetherby Mental Health Services - NEW
Project Summary	<p>The NHS Leeds CCG contracts Tees, Esk and Wear Valley (TEWV) CCG to provide inpatient and community mental health care to working age adults and older people in Wetherby and surrounding villages in the area a part of wider contract with Harrogate CCG. This means that patients needing community or inpatient mental health care in Wetherby and the surrounding areas often receive it from the teams at Harrogate hospital and the Briary Wing (for inpatient services).</p> <p>The inpatient mental health service at Briary Wing at Harrogate Hospital is set to close as it is no longer fit for purpose. Inpatient mental health services were meant to be moved to a newly built hospital at Harrogate but this has fallen through.</p> <p>From 2021, patients requiring inpatient mental health care who would have previously gone to Briary Wing will now be placed at a new hospital in York. Patients in Wetherby and surrounding areas are expected to be offered the choice between using Leeds and York hospitals for inpatient services whilst receiving an enhanced community based service from TEWV CCG out of Harrogate.</p> <p>It is believed that the enhanced provision of community based services will reduce the need for hospital admission (inpatient admission) as patients will have the right interventions and input so that they are less likely to require inpatient services.</p> <p>The engagement that will be conducted by NHS Leeds CCG with people in aims to:</p> <ul style="list-style-type: none"> • Share information about the service and outline potential changes. • Understand views on existing service/experience in order to help inform services to make improvements. • Understand the impact of travel from Wetherby to York for inpatient care and potential solutions for any perceived issues. • Understand people's perception on using inpatient services at LYPFT • Understand people's views on wider community care offer and what needs to be considered/provided

	<p>The CCG Volunteer involved in this work will be expected to attend meetings relating to the engagement and steering group meetings in the future and continue to provide ongoing support to the project and get involved in discussions.</p> <p>We would like the volunteer to be involved in supporting the engagement too.</p>

Title	Involving you : an annual report on CCG engagement activity 2018 - 2019
Project Summary	<p><i>Involving you</i> offers an overview of the CCG engagement activities that have taken place over course of a financial year and includes a summary of what people told us and what we did in response to hearing those views. Last year's report can be found here: //www.leedsccg.nhs.uk/publications/involving-you-an-annual-report-on-ccg-engagement-activity-2017-18/</p> <p>Last year we worked together with a group of patients and volunteers to design the <i>Involving you</i> report. Using last year's feedback and a more recent feedback from our Reader Group, we would like to work with you and our designer to ensure that this year's report is accessible, attractive and engaging.</p> <p>We will organise a meeting in May to look at a draft design, which will be developed using the feedback we have received so far from patients and volunteers, and discuss any possibilities for improvement.</p>

	<p>We would like for you to come to the meeting and share with us your thoughts on the draft document and provide assurance that we have listened to people’s feedback when we developed the document. We will invite our designer to the meeting so he can hear your suggestions.</p> <p>We will send you all the documents you need for the meeting a week before so you have time to review them.</p>

Title	Child and Family Health Hubs
Project Summary	<p>A new service is being trialled in a small number of GP practices in Leeds. In this service, children who need to be seen by a Consultant Paediatrician can see them at their GP practice alongside their regular GP, rather than being referred to hospital. We need a volunteer to support local children and families by helping them to complete surveys after their appointment to evaluate how well the new service is working for them. This would involve using an iPad, directing people to either a parent's or children's survey, or helping them answer the questions if they need support.</p>

Number of Volunteers needed	No limit
Engagement Team contact	Gemma - gemma.kierczuk@nhs.net

Current engagements - **NEW**

Below are current live engagements that we're aware of. These are engagements where people can offer their feedback and have a say, usually through a survey. Other chances to get involved such as project groups, recruitment opportunities etc. will be listed in the 'Opportunities' section.

If you are aware of other engagements that we have not listed, please get in touch with Adam or Andra and let us know and we will happily share in the next newsletter.

Please take the time to complete the survey and share it with friends, relatives, colleagues and other contacts you may have in your community.

Any updates regarding our engagement projects can be found on our website on our consultations page: www.leedscg.nhs.uk/get-involved/consultations/

Urgent Treatment Centres (21.01.19 – 15.04.19)

The NHS Leeds CCG is running a high-level engagement on Urgent Treatment Centres (UTC). The proposal is to establish five new UTCs in the city, two out of existing centres, two 'co-located' out of A&E and a new site in east Leeds, probably Seacroft.

The engagement is of great importance to the CCG and we would expect all our volunteers to offer their feedback on the engagement by completing the [survey](#) at the below link, as well as sharing and promoting the engagement in all appropriate avenues.

Many thanks to Sue, Pauline, Dick, Kath, John and Leanne for their help supporting this so far by:

- Sharing copies of surveys with friends and families.
- Sharing copies of surveys with PPGs
- Discussing the engagement at different meetings around the city
- Signing up to support several of the drop-ins/events

It isn't too late to get involved. We would appreciate more support with our drop-ins and events. If you think you can help out please let Adam know.

More information about the events and drop-ins, such as times and venues, can be found on our website here: <https://www.leedscg.nhs.uk/utcevents/>

If you have any questions, please contact adam.stewart1@nhs.net

Safe Haven GP Service (10.04.19 – 30.04.19) - NEW

Safe Haven GP practice is a service for registered patients in Leeds who have been asked to leave their own GP practice. The Safe Haven Service is also known as the 'Violent Patient Scheme' and 'Special Allocation Service'.

The contract for the service will expire on 30 September 2019 and the CCG is preparing to pay for a new service (a process known as re-procurement). We want to understand people's experiences of the service and, where possible, use this to shape the way the service is provided in the future.

Patients will have limited influence on the service specification because this is such a specialised service. The service will need to cater for a low number of patients and ensure staff and patients can be safe. This will limit things like the choice of provider, the location and opening times.

We'd really appreciate any help you can give in sharing this out with any groups or networks you might be involved with, such as:

- GP practices
- Mental health groups
- Addiction services
- Other appropriate services you may be aware of

If you share anywhere please let Gemma know so she can log it.

More information can be found on our website here:

<https://www.leedsccg.nhs.uk/get-involved/your-views/safehaven/>

If you have any questions, please contact gemma.kierczuk@nhs.net

Training

This section is about any training available in the next few weeks.

Engagement Hub Update – No training between Jan – Jun 2019

As part of our ongoing evaluation of the training programme we have decided to pause our delivery of a scheduled training calendar and review our provision. There are several reasons for this, including; poor attendance and high cancellation rates (we've cancelled more sessions than ran over the last five months) as well as ongoing discussions with our partner organisations about the need to nail down processes and ways of working going forward.

We're going to use the 'fallow' six month period to evaluate the engagement hub work and see what it is going to look like with everything kicking back into gear by July 2019. The survey is **now closed** and we are in the process of evaluating the responses.

Thank you to everyone who had their say. We'll share the report with you once it is complete.

Other training sessions

There are a number of organisations that deliver training across the city. Many of these are available on the Voluntary Action Leeds (VAL) website (link below).

[Find training in the area on the Doing Good Leeds website](#)

If you find a course you think it relevant to your role as a CCG Volunteer, speak with your mentor if you would like to book on as there might be a cost attached which we may be able to cover.

CCG Volunteers Peer Support

This section is about opportunities for CCG Volunteers to be involved in peer support. There will be updates around peer support meetings and other opportunities to liaise with fellow volunteers in order to support one another.

2019 - Peer Support Meetings

We have booked room 4 at WIRA House for two dates in 2019 where CCG Volunteers can come along and catch up with one another and offer each other support. These meetings, at present, do not have a formal agenda and will be directed by volunteers in attendance.

A couple of members of the CCG engagement team will be in attendance to support.

Dates are:

Monday 20 May 2019, 6pm – 8pm – WIRA House, LS16 6EB

Thursday 24 October 2019, 1:30pm – 3:30pm – WIRA House, LS16 6EB
