Current engagements

Below are current live engagements that we're aware of. This refers to engagements where people can offer their feedback and have a say, usually through a survey. Other chances to get involved such as project groups, recruitment opportunities etc. will be listed in the 'Opportunities' section.

If you are aware of other engagements that we have not listed, please get in touch with Adam or Andra and let us know and we will happily share in the next newsletter.

Developing mental health services for adults and older people in Harrogate and Wetherby

Tees, Esk and Wear Valley (TEWV) NHS Foundation Trust are leading on an engagement to develop community mental health services for people in Harrogate, its surrounding areas and Wetherby, who also receive mental health services from the trust. The NHS Leeds CCG is supporting TEWV with his engagement.

TEWV NHS Foundation Trust delivers community and inpatient mental health services for Harrogate and its rural district. As part of a contract between the NHS Leeds CCG and Harrogate and Rural District CCG, TEWV also provides these services for the residents of Wetherby and its surrounding areas.

Proposals for the future development of mental health services for adults and older people were recently approved by the Harrogate and Rural District CCG. These proposals allow TEWV to maximise patient safety and provide the best possible patient experience, whilst remaining true to their commitment to providing care as close to home as possible.

This engagement is aimed at people living in Wetherby and its surrounding areas, including current or previous users of mental health services, carers, family members, volunteers and health and care staff. We want to hear people's views on the proposals for developing mental health services for adults and older people and if there is anything we've missed that would help support people.

More information about the engagement and the proposals can be found on our website: www.leedsccg.nhs.uk/get-involved/your-views/tewvmh2019/

Please share the details of this engagement only with people in these areas. The engagement ends on 13 September 2019.

Get Set Leeds

Get Set Leeds! Are you ready to make Leeds more active?

Get Set Leeds is your chance to tell us what being active means to you and what might get you moving more.

Moving more isn't just about getting sweaty in the gym. It's walking in a park, doing a sport you enjoy, playing a game with the kids, gardening, cycling to work, or dancing to a song you love. It's what you might be doing as part of your day anyway, but by doing it more often or more vigorously you could make a real difference to how well and happy you feel.

To get everybody moving more and for Leeds to be the most active city, we need to think differently and change what we do, together.

Get involved and have your say at getsetleeds.co.uk
